Canadian Greenhouse Growers' Directory & Buyers' Guide

Flowers Canada Growers Inc. is pleased to present the 2026 edition of the Canadian Greenhouse Growers' Directory & Buyers' Guide. This Directory is designed to help you source Canadian flowers, plants, services, and products from a wide array of flower growers, wholesalers, wholesale distribution centres, and service companies located across Canada.

In this 33rd edition of the Directory, the tools listed below will help you to find the right service you need faster than ever.

- **Regional Listings** – Canadian growers and wholesalers are listed in geographical sections: British Columbia, Ontario, and Atlantic Regions.

Export Logo – Companies exporting to the USA are clearly identified with the dual flag.

- **Alphabetical Indexes** – Preceding the listings, indexes will help you quickly find company names listed in alphabetical order along with the page numbers of their listing location.

- **Visual Product Indexes** – We've done our best to improve the Product Index by cross-referencing all floral products, supplies and services listed by each company in the back of the Directory. For your convenience, each category contains the name of the company supplying that product or service, their province, and the page number of their listing.

- **Tagged Maps** - Beginning on page 40, you will find nine pages of maps showing the geographical location of each of the Canadian growers listed in the directory. *The maps are intended to be used as a guide in locating these listings, and are not claimed to be absolute in their accuracy.*

Flowers Canada Growers Inc. gratefully acknowledges the funding support of Agriculture and Agri-Food Canada through the Sustainable Canadian Agricultural Partnership and the participants in this directory.

Sustainable Canadian Agricultural Partnership

Minister
of Agriculture and
Agri-Food

Ministre
de l'Agriculture et de
l'Agroalimentaire

Ottawa, Canada K1A 0C5

Welcome to the *2026 Canadian Greenhouse Growers' Directory and Buyers' Guide*! Congratulations to Flowers Canada Growers as you celebrate 30 years producing this trusted buyers' resource and powerful industry marketing tool.

To Canada's outstanding greenhouse flower growers, thank you for bringing joy and beauty to consumers and communities across North America with your high-quality and sustainable flowers and potted plants. You continue to support jobs and Canada's economy, too, with exports over $2 billion, and domestic sales over $1 billion.

I am working hard every day to help our entire agriculture and agri-food sector succeed – including our world-class floriculture industry. Our government is bringing an economic lens to every decision we make. We're improving our AgriStability program to help you manage the business risks you face, including high input costs. To help you compete and succeed, we're cutting red tape and building our trade in key markets, while working to ensure our trade with the United States remains strong and integrated. We're proud of our longstanding support of this directory through our AgriMarketing program, which we have strengthened with $75 million in new funding over five years.

Once again, thank you Flowers Canada Growers for supporting your sector with this impactful annual Guide. I wish all growers a productive season in 2026.

Let's continue working together to keep the sector blooming!

The Honourable Heath MacDonald, P.C., M.P.

YEAR ESTABLISHED: 1961
GREENHOUSE SIZE: over 1,000,000 square feet
PRODUCT/SERVICE: Bradford Greenhouses is a Canadian success story. Its remarkable journey began with Francis Ferragine establishing a greenhouse business in Bradford in 1961. By 1975, the family retail venture emerged along Hwy 11, and this growth continued and expanded with the unveiling of its flagship retail store in Barrie in 1993. Presently, Bradford Greenhouses holds a prominent position as one of Central Ontario's premier greenhouse growers and retailers. The company extends its reach by offering a wide array of plugs and rooted liners to independent growers and farmers throughout Canada. A comprehensive selection of retail-ready live plants for every season is a hallmark of our production. This ready-to-display assortment includes packs and flats, hanging baskets, custom planters, summer instant annuals, and fall mums, as well as an extensive array of accessories, furniture, and home goods. At the heart of our operations lies a commitment to efficiency and technological advancement, positioning our company as one of the most sophisticated greenhouse operations in Canada. Bradford Greenhouses is not only a fixture in the industry but also a trailblazer, consistently dedicating resources to research and investment in innovative practices within greenhouse cultivation and gardening. This long-standing commitment ensures that we are well-equipped to serve our customers with excellence for years to come.

YEAR ESTABLISHED: 1978
GREENHOUSE SIZE: 2,254,500 sq. ft., 209,449.9 sq. meters
PRODUCT/SERVICE: Since 1978, Rosa Flora Limited has been an expert greenhouse grower of fresh cut flowers. Today we grow over 50 acres of large gerbera, mini gerbera, gerpoms, lisianthus, snapdragons, asiatic lilies, oriental lilies, and anthurium flowers. In 2025 we are proud to introduce our Luxe Lisianthus collection! Three aspects are key to our ongoing success: devotion to service, commitment to quality, and support for our environment. These pillars are the basis for Rosa Flora's Pride in Every Petal, making us the preferred Canadian grower for wholesale flowers online. We continue to invest in growing greener through cutting-edge technology, testing new varieties, and researching innovative production techniques to deliver the highest quality fresh cut flowers year-round.

YEAR ESTABLISHED: 1961
GREENHOUSE SIZE: over 1,000,000 square feet
PRODUCT/SERVICE: Bradford Greenhouses is a Canadian success story. Its remarkable journey began with Francis Ferragine establishing a greenhouse business in Bradford in 1961. By 1975, the family retail venture emerged along Hwy 11, and this growth continued and expanded with the unveiling of its flagship retail store in Barrie in 1993. Presently, Bradford Greenhouses holds a prominent position as one of Central Ontario's premier greenhouse growers and retailers. The company extends its reach by offering a wide array of plugs and rooted liners to independent growers and farmers throughout Canada. A comprehensive selection of retail-ready live plants for every season is a hallmark of our production. This ready-to-display assortment includes packs and flats, hanging baskets, custom planters, summer instant annuals, and fall mums, as well as an extensive array of accessories, furniture, and home goods. At the heart of our operations lies a commitment to efficiency and technological advancement, positioning our company as one of the most sophisticated greenhouse operations in Canada. Bradford Greenhouses is not only a fixture in the industry but also a trailblazer, consistently dedicating resources to research and investment in innovative practices within greenhouse cultivation and gardening. This long-standing commitment ensures that we are well-equipped to serve our customers with excellence for years to come.

YEAR ESTABLISHED: 2009
GREENHOUSE SIZE: 240,000 sq. ft., 22,296 sq. meters
PRODUCT/SERVICE: Orchid Greens is most well known for our premium grade Phalaenopsis Orchids. We stand out with regards to larger bloom sizes, increased bloom counts, as well as the always-changing unique variety of colours made available! Our top two best-sellers are the Waterfall Orchids and the 4" Delight Orchids. The Waterfall Orchid sorting process is strict in the way that only the biggest and best plants are selected for the handcrafted bending procedure to create this masterpiece. Our Waterfalls come in all different natural, non-dyed colours, thus returning in bloom the same beautiful colour year after year! The second best seller, 4" Delight Orchids, are the perfect grab-and-go item for impulse purchases in your stores. Cute, substantial, and suitable for all sizes of space. Another special service we offer is our Orchid Arrangements and Orchid Dish Gardens, please feel free to visit our website for all the different planters we offer. All our products are readily available to be shipped into the US.

GREENHOUSE SIZE: 2,254,500 sq. ft., 209,449.9 sq. meters
PRODUCT/SERVICE: Since 1978, Rosa Flora Limited has been an expert greenhouse grower of fresh cut flowers. Today we grow over 50 acres of large gerbera, mini gerbera, gerpoms, lisianthus, snapdragons, asiatic lilies, oriental lilies, and anthurium flowers. In 2025 we are proud to introduce our Luxe Lisianthus collection! Three aspects are key to our ongoing success: devotion to service, commitment to quality, and support for our environment. These pillars are the basis for Rosa Flora's Pride in Every Petal, making us the preferred Canadian grower for wholesale flowers online. We continue to invest in growing greener through cutting-edge technology, testing new varieties, and researching innovative production techniques to deliver the highest quality fresh cut flowers year-round.

COHA ACHO

CANADIAN ORNAMENTAL HORTICULTURE ALLIANCE

ALLIANCE CANADIENNE DE L'HORTICULTURE ORNEMENTALE

COHA-ACHO's vision is to represent Canada's vibrant and flourishing ornamental horticulture value chain at the national level passionately and effectively.

www.coha-acho.ca

COHA-ACHO's mission is:

- To ensure that governments are well informed about the economic and environmental importance of ornamental horticulture as an integral part of Canadian agriculture.
- To obtain government recognition for the value that our plant products and services provide as solutions for society.
- To lead research and innovation for our sector in collaboration with government.

COHA is a strategic alliance of three organizations:

- **Canadian Nursery Landscape Association (CNLA)**
- **Flowers Canada Growers Inc. (FCG)**
- **Québec Vert**

TOGA

THE ONTARIO GREENHOUSE ALLIANCE

The Ontario Greenhouse Alliance (TOGA) works for the common interests of vegetable and floral greenhouse farmers in Ontario. By providing current information and analysis on sector trends and issues, TOGA contributes to the development of public policy in collaboration with governments.

TOGA seeks outcomes that enable Ontario greenhouse farms to be globally competitive and profitable while producing high-quality, locally grown food & floral products, creating jobs, and using environmentally sustainable growing practices.

Did you know? The Ontario greenhouse sector:

- **Contributes over $3.2 billion to Ontario's economy each year**
- **Employs over 46,000 workers in greenhouses and associated packing facilities**
- **Generates over $2.1 billion in value added export activity**

www.theontariogreenhousealliance.com

BEING A MEMBER HAS ITS BENEFITS!

FCG WORKS FOR YOU:

- Representing over 280 growers, generating over $2.2 BILLION in farm gate sales
- Collaboratively working with all levels of government to establish partnerships and create a national voice for floriculture
- FCG has the support of numerous associate members who offer our grower members an array of supplies and services to help the floriculture sector stay competitive in a global market place.
- Continually bringing new (and retaining existing) pest management tools to ornamental farmers
- Helping address export challenges by working closely with both grower members and the Canadian Food Inspection Agency
- Funding floriculture research aimed at helping flower growers
- Helping growers access government programs and funding to benefit their business
- Offering a competitive health insurance program available to growers and employees through People Corporation
- Thousands of dollars available in savings through industry partnerships

The membership that keeps on growing

FCG's mission is to build partnerships and relationships that encourage business success for Canadian flower farmers.

PRODUCT/SERVICE: Ag Energy Co-operative Ltd. (AEC), founded in 1988, delivers competitive energy pricing and risk management strategies. In 2024, AEC expanded our service offering to provide energy services to benefit members and customers with more than 35 years of experience in the energy and agricultural sectors. We deliver cost-effective energy solutions that improve operational efficiency and cost predictability through expert services, detailed analysis, and targeted efficiency projects. Our team, many with over 30 years of experience, specializes in energy consulting for the public, agricultural, and greenhouse sectors, offering deep insight into market trends, regulatory requirements, and conservation strategies tailored to your budget and operational needs.

AGRICULTURAL CREDIT CORPORATION

200 Hanlon Creek Boulevard
Guelph, Ontario, N1C 0A1

TEL: 1-888-278-8807
EMAIL: advance@agcreditcorp.ca
WEBSITE: https://www.agcreditcorp.ca

CONTACT: Lisa Harvey - EXT: 305 | Scott Clark - EXT: 304

PRODUCT/SERVICE: Agricultural Credit Corporation (ACC) is a not-for-profit farm organization founded in 1992 by a coalition of farm organizations and is now comprised of 19 producer associations and marketing boards. Since that time, we have provided in excess of three billion dollars in operating funds to Canadian producers. ACC offers low cost operating loans to producers across Canada. Each member of the Board of Directors is a farmer, many of whom represent other commodity boards or associations. The expertise of ACC is built upon experience gained in offering loans, producer credit review, managing large loan accounts, meeting government loan guarantee parameters and collection of loan repayments. Agricultural Credit Corporation doesn't just provide financing for one small portion of your agricultural business - we provide financing in all areas of the development of your products, from planting, through harvesting, right until your product goes to market.

AGRICULTURE & FOOD LABORATORY, UNIVERSITY OF GUELPH

PRODUCT/SERVICE: We don't just fix tech. We think like business owners - because that's who we serve. At B4 Networks, we know that most business owners are tired of dealing with IT providers who speak in confusing jargon, leave them in the dark, and only show up when something breaks. That's why we take a completely different approach. We don't view IT through a technical lens - we see it through the eyes of your business. From day one, we operate as your off-site IT department, fully aligned with your goals. You can lean on us like we're part of your internal team - because that's exactly how we work. Here's how we're different: -We communicate clearly and answer every question in plain English -We meet with you quarterly to help you get more out of your technology -We don't profit from downtime - it costs us more when you're offline, just like it costs you That's why it's in both our best interests to keep your systems running smoothly, 24/7. Our mission is simple: -Keep your business running -Make technology easy to understand -Be the IT company you can actually talk to If you've ever felt frustrated, ignored, or overwhelmed by IT - we understand. We've heard the same complaints from hundreds of business owners before they found us. You deserve better. Let's make IT one less thing you have to worry about.

PRODUCT/SERVICE: POLYVANTIS® is a global leader in premium acrylic and polycarbonate solutions, specializing in multi-skin and wave profile products for the greenhouse market. With iconic brands like ACRYLITE® Alltop and Resist acrylic, LEXAN™ THERMOCLEAR™ sheet and VEROLITE™ polycarbonate sheet, POLYVANTIS® offers the industry's most advanced glazing materials for greenhouse coverings worldwide. Designed to promote plant growth, enhance crop quality, and reduce heating costs, the POLYVANTIS® portfolio provides versatile greenhouse roofing and glazing options to meet a variety of needs. ACRYLITE® and LEXAN™ sheet products deliver tailored solutions for optimal greenhouse performance, from shielding crops against hail and storms to preventing condensation and allowing full-spectrum diffused natural light. These high-performing, reliable greenhouse coverings consistently outperform other glazing solutions globally.

PRODUCT/SERVICE: Direct importers and sole distributors of an exclusive line of decorative plastic pots and planters, as well as natural material Hanging Baskets. We offer nursery growers, wholesale and retail greenhouses a wide assortment of decorative, functional planter styles, shapes, sizes and colours. All of our products are manufactured in multiple facilities throughout China, and we offer various shipping options to accommodate most customer needs. We proudly maintain a fully stocked warehouse in Mississauga, Ontario, as well as in Merrimack NH, USA. This allows us to deliver quality planters at competitive pricing, while still meeting our customers' production schedules.

Stephan Helsloot - Sales, West Canada - (778) 773-1109
Grower Services - 1-800-424-2554

PRODUCT/SERVICE: We improve crop performance, quality, and yields by integrating AGTIV biologicals into our signature PRO-MIX professional growing media. From the careful selection to the precise blending of materials like peat, bark, and coir, we control every step of the process to deliver high-quality media for easier crop management. Our expert team supports you at every stage, ensuring success. PRO-MIX, enhanced with AGTIV biologicals, harnesses the power of biostimulants for healthier, more resilient plants: AGTIV REACH™ helps plants reach and absorb more nutrients and water thanks to mycorrhizae. AGTIV STIMULATE™ reinforces plants with a healthy root zone thanks to Bacillus. AGTIV AMPLIFY™ provides a healthy and expanded root system that absorbs more nutrients and water thanks to mycorrhizae & Bacillus. We are committed to sustainable solutions that support global food production and enhance the beauty of the world we live in.
